The People of the State of Michigan enact:

Sec. 1307e. The state policy under section 1307a shall include at least all of the following provisions concerning development and implementation of an emergency intervention plan:

(a) If a pupil exhibits a pattern of behavior that poses a substantial risk of creating an emergency situation in the future that could result in the use of emergency seclusion or emergency physical restraint, school personnel should develop a written emergency intervention plan to protect the health, safety, and dignity of the pupil. The emergency intervention plan should be developed in partnership with the parent or guardian by a team that includes a teacher, an individual knowledgeable about the legally permissible use of emergency seclusion and emergency physical restraint, and an individual knowledgeable about the use of positive behavioral intervention and support to eliminate the use of seclusion and restraint. The emergency intervention plan should be developed and implemented by taking all of the following documented steps:

(i) Describe in detail the emergency intervention procedures.

(ii) Describe in detail the legal limits on the use of emergency seclusion and emergency physical restraint, including examples of legally permissible and prohibited use.

(iii) Make inquiry to the pupil’s medical personnel, with parental consent, regarding any known medical or health contraindications for the use of emergency seclusion or emergency physical restraint.

(iv) Conduct a peer review by knowledgeable school personnel.

(v) Provide the parent or guardian with all of the following, in writing and orally:

(A) A detailed explanation of the positive behavioral intervention and support strategies that will be utilized to reduce the risk of the pupil’s behavior creating an emergency situation.

(B) An explanation of what constitutes an emergency situation as defined in section 1307h, including examples of situations that would fall within the definition and situations that would fall outside the definition.

(C) A detailed explanation of the intervention procedures to be followed in an emergency situation, including the potential use of emergency seclusion and emergency physical restraint.

(D) A detailed explanation of the legal limits on the use of emergency seclusion and emergency physical restraint, including examples of legally permissible and prohibited use.

(E) A description of possible discomforts or risks.

(F) Answers to any questions.

(b) A pupil who is the subject of an emergency intervention plan should be told or shown the circumstances under which emergency seclusion or emergency physical restraint could be used.

(c) Emergency seclusion or emergency physical restraint must only be used in response to an ongoing emergency situation and not as a planned response for the convenience of school personnel, as discipline or punishment, or as a substitute for an appropriate educational program. The development of an emergency intervention plan shall be solely for the purpose of protecting the health, safety, and dignity of the pupil and does not expand the legally permissible use of emergency seclusion or emergency physical restraint.
