[LEARNING SUPPORTS STAFF AT THE SCHOOL]

This form provides a template which you can fill in to clarify the people and their positions at your school that provide services and programs related to addressing barriers to learning. This also is a logical group of people to bring together in establishing a resource-oriented team for learning supports at the school. Each staff member in your school is a special resource for you and for each other. A few of the individuals who serve as learning supports staff are highlighted here.
