

Superintendent Michael P. Flanagan
Michigan Department of Education
608 W. Allegan Street
P.O. Box 30008
Lansing, MI 48909

Dear Superintendent Flanagan,

It is clear to both of our associations, the Michigan Association of Administrators of Special Education (MAASE) and the Michigan Association of Intermediate School Administrators (MAISA) that the Michigan Department of Education, Office of Special Education, followed the Administrative Rules Process with regard to the Michigan Administrative Rules for Special Education, Rule Set 2013-116 ED.

Therefore, we request that the Michigan Administrative Rules for Special Education rules package (2013-116ED) be immediately resubmitted to the Joint Committee on Administrative Rules for action during this current session.

We thank you for your leadership in this matter.

Dawn G. Bentley, MAASE President
